**INTERVIEW SUMMARY**

Sir:

Pursuant to the requirements of 37 C.F.R. § 1.133 and MPEP § 713.04, Applicant submits this Interview Summary. This Interview Summary is a summary of the telephonic interview initiated by Examiner Lesperance with Bret T. Winterle, Assignee's representative, on January 19, 2005. Assignee's representative was expecting an Examiner Initiated Interview Summary form with a non-final office action, but no further office action was issued prior to Assignee's receipt of the Notice of Allowance mailed June 29, 2005. Assignee respectfully requests that this Interview Summary be entered into the record of the above-referenced application.

During the interview: (a) no exhibit was shown nor any demonstration conducted; (b) pending claims 10-13, 15-17, and 26-38 were discussed; and (c) no specific prior art was discussed.

Examiner Lesperance indicated that he was unable to search the claims as amended in the Response filed November 5, 2004. Examiner Lesperance suggested that the Assignee submit a supplemental amendment amending the preamble of the independent claims to include some mention of an "input device" prior to receiving the next office action. Examiner Lesperance indicated that he would send an Interview Summary form for this telephonic interview with the next office action.

The Examiner is invited to contact the undersigned by telephone to discuss any matter related to the Application and this Interview Summary.

Respectfully submitted,

Date: July 22, 2005
